

Baby girl I see You show me what you gonna do.  
Come one now. Shake your thing.  
Baby girl get in control.  
Show me that U're rockin' this show

Anything that came to my mind is that phrase that  
Doesn't have anything to do with my brain cause  
Any of my thoughts has a strenght to get there so  
Can u let my throat to let go all the pain now?

Anything that came to my mind is that phrase that  
Doesn't have anything to do with my brain cause  
Any of my thoughts has a strenght to get there so  
Can u let my throat to let go all the pain now?

All I do is music and all I want is You dear -A  
All I do is music and all I want is You dear -E  
All I do is music and all I want is You dear -I  
All I do is music and all I want is You dear -O  
All I do is music and all I want is You dear -U
