

# Baby, It's the Rain

Sister Sledge

So I'm losing you  
And I know it's goodbye  
I see our good love dying  
And I'll be strong  
You think that I'm crying  
But you're wrong

Baby, it's the rain (Baby it's the rain)  
Nothing but the rain (Nothing but the rain)  
No, no, I'm not crying (I'm not crying)

I'm smiling again (Whoa yeah)  
Baby, it's the rain (Baby, it's the rain)  
Nothing but the rain  
It looks like I'm crying (Oh yeah)  
But you're not to blame (You're not the blame)  
'Cause baby, it's the rain (Baby, it's the rain)

Ooh ooh ooh ooh

I know life goes on  
And I'll try to forget  
I see our good  
I see our good love dying  
And it's so sad  
But I know the tears can't  
Can't keep you back

Baby, it's the rain (Baby, it's the rain)

Nothing but the rain (Nothing but the rain)  
No, no, I'm not crying (Oh no)  
I'm smiling again (I'm smiling)  
Baby, it's the rain (It's the rain)  
Nothing but the rain  
It looks like I'm crying (Ooooh, ooh, ooh)  
But you're not the rain (You're not to blame)  
'Cause baby, it's the rain (Baby, it's the rain)

Baby, it's the rain (It's the rain)  
Nothing but the rain  
No, no, I'm not crying  
I'm smiling again  
Baby, it's the rain (Baby, it's the rain)  
Nothing but the rain (Nothing but the rain)  
It looks like I'm crying (It looks like I'm crying)  
But you're not the rain (No, no)  
'Cause baby, it's the rain (Baby, it's the rain)

It's the rain....  
Do do do do do  
Do do do do do  
Do do do do
