Sister Sledge

Everybody on the dancefloor, whoa (come on)  
Everybody on the dancefloor (yeah)  
Ow

I'm thankful for the music  
It brought me through the past  
It pulled me through the hard times  
It's part of who I am  
Well, I just love the freedom  
That only love can bring  
There's nothing that can hold me down  
You ask me why I say  
Let me tell you now  
Baby, let me tell you

I'm free, free  
Love has got a hold on me  
I'm free, free  
Love who I am and I'm not going back  
I'm free, yeah

Free  
I'm free, yeah

Maybe you've got fences  
You've built yourself a wall  
You're trying hard to break through, yeah  
Well they're about to fall  
Whoa, love's about to set you

Free, free  
Love has got a hold on me  
I'm free, free  
Love who I am and I'm not going back  
I'm free

Free  
Oh

Sledgendary, baby  
Get up to the dancefloor, come on (hey)

I'ma be free, I'ma be free, I'ma be free, I'ma be free, I'ma be free  
I'ma do me, I'ma do me, I'ma do me, I'ma do me, I'ma do me  
I'ma be free, I'ma be free, I'ma be free, I'ma be free, I'ma be free  
I'ma do me, I'ma do me, I'ma do me, I'ma do me, I'ma do me  
I'ma be free, I'ma be free, I'ma be free, I'ma be free, I'ma be free  
I'ma do me, I'ma do me, i'ma- baby, let me tell you

I'm free, free (I'm so free)  
Love has got a hold on me (ooh)  
I'm free, free (yeah)  
Love who I am and I'm not going back  
I'm free

I'ma be free, I'ma be free, I'ma be free, I'ma be free, I'ma be free  
I'ma do me, I'ma do me, I'ma do me, I'ma do me, I'ma do me

I'ma be free, I'ma be free, I'ma be free, I'ma be free, I'ma be free  
I'ma do me, I'ma do me, I'ma do me, I'ma do me, I'ma do me  
I'ma be free, I'ma be free, I'ma be free, I'ma be free, I'ma be free  
I'ma do me, I'ma do me, I'ma do me, I'ma do me, I'ma do me  
I'ma be free, I'ma be free, I'ma be free, I'ma be free, I'ma be free  
I'ma do me, I'ma do me, I'ma do me, I'ma do me, I'ma do me
