

# Happy Feeling

Sister Sledge

Such a happy feeling  
When I look at you  
Because you bring me sunshine  
In all the things you do

Well, I'd like to be with you  
Every hour of the day  
'Cause I get such a happy feeling  
Ooh, love to feel this way

Ooh yeah, happy feeling  
Looking in your eyes  
Happy feeling  
You're a blessing in disguise  
Happy feeling  
When I'm here with you  
I just feel so good inside  
Don't know what to do

Happy feeling  
When I'm next to you  
Love that inspiration  
Love the things you do

Well, I like to think of you  
Maybe when I'm feeling low  
So I can keep this happy feeling  
Ooh, sure feels good to know

Ooh yeah, happy feeling  
Looking in your eyes  
Happy feeling  
You're a blessing in disguise  
Happy feeling  
When I'm here with you  
I just feel so good inside  
Don't know what to do, ooh, ooh

Ooh yeah, happy feeling  
Looking in your eyes  
Happy feeling  
You're a blessing in disguise  
Happy feeling  
When I'm here with you  
I just feel so good inside  
Don't know what to do

Happy feeling (so, so happy)  
Looking in your eyes  
Happy feeling (and it's such a happy feeling)  
You're a blessing in disguise  
Happy feeling (so ha happy)  
When I'm here with you (ha ha happy)  
I just feel so good inside  
Don't know what to do

Happy feeling (so, so happy)

Happy feeling  
Happy feeling (and it's such a happy feeling)  
(So, so happy)  
Happy feeling (so, so happy)  
When I'm here with you...
