

# I Was Made to Love Her (Him)

Sister Sledge

I was born in Lil' Rock  
Had a childhood sweetheart  
We were always hand in hand  
He wore hightop shoes and shirt tails  
And I was in shining pigtails  
I knew I loved him even then  
You know my papa disapproved it  
And My Mama boohooed it  
But I told them time and time again  
Don't you know I was made to love him  
Build my world all around him  
Everybody say hey, hey, hey  
He's been my inspiration  
He showed all the sweet appreciation  
For the love I gave him through the years  
Like a sweet magnolia tree  
My love blossomed tenderly  
My life grew sweeter through the years  
I know that my baby loves me  
My baby needs me  
That's why we made it through the years  
I was made to love him  
Worship and adore him  
Everybody say hey, hey, hey  
All through thick and thin  
Our love just won't end  
'Cause I love my baby, love my baby  
My baby loves me  
My baby needs me  
And I know I ain't going nowhere  
I was knee high to a chicken  
And that, oh, love bug bit me  
I had a fever with each passing year, yeah  
Even if the mountain tumbles  
If this whole world crumbles  
By his side I'll still be standing there  
'Cause I was made to love him  
I was made to live for him yeah  
Yeah, yeah, yeah, yeah  
Ah, live  
Ah, live  
Oh, put your hands together  
He's been my inspiration, Showed appreciation  
Ohh my love  
My baby loves me  
My baby needs me
