

Moondancer

Sister Sledge

He's a moondancer
Oh, that's what they say
He's a moondancer
Well, he's dreaming his lifetime away
He's a moondancer
Uh-uh-huh, and that's what they blame
He's a moondancer
But I love him all the same

Ooh, he's so shy (he's so shy)
Never says a word (never, never says a word)
When I look at him
Ooh, how I try (oh-oh-yeah, how I try)
Try to understand (try to understand)
What he feels within (yeah)

It makes me cry to see him blue
And all I really want to do (all I really want to do)
Is make his dreams come true, yeah

He's a moondancer
Oh, that's what they say
He's a moondancer
Well, he's dreaming his lifetime away
He's a moondancer
Uh-uh-huh, oh, that's what they blame
He's a moondancer
But I love him all the same

Ooh, he's so free (whoa, he's so free)
Never cares about (never, never, never cares)
What I think of him (oh-oh)
Ooh, he's like me (mm, he's like me)
I do understand (I do understand)
What he feels within (yeah)

It makes me cry to see him blue
And all I really want to do (all I really want to do)
Is make his dreams come true

He's a moondancer (is make his dreams, make his dreams come true, yeah)

Moondancer (yeah-yeah, whoa-yeah)
He's so shy, oh, he's shaking me, taking me, breaking me, taking me out
(Ooh, he's taking me, taking me, taking me out dance)
Moondancer (yeah-yeah, whoa)

Moondancer

Shaking me, taking me, breaking me, taking me...
