

# Music Makes Me Feel Good

Sister Sledge

I like dancing  
To the music  
Cause it makes me feel  
Real, real  
Makes me feel  
Makes me feel good

I like dancing  
To the music  
Cause it makes me feel  
Real, real  
Makes me feel  
Makes me feel good

My body is feeling free  
It lets the music  
Flow through me

If you feel like dancing  
Feeling fine  
Let your body rock  
Shake it  
Let the music keep time

I like dancing  
To the music  
Cause it makes me feel  
Real, real  
Makes me feel  
Makes me feel good

Ooh in the music  
Makes you feel good  
You should get up and move  
Let the music  
Makes you feel good  
You, you've got to groove

I like dancing  
To the music  
Cause it makes me feel  
Real, real  
Makes me feel  
Makes me feel good

The rhythm is in my feet  
I can't stand it  
When the music  
Starts to beat, no  
When I feel it creeping  
Up my soul  
I begin to groove  
Move it  
Let the music take control

I like dancing  
To the music

Cause it makes me feel  
Real, real  
Makes me feel  
Makes me feel good
