Hello

Why should I go, why should I care How could I know, it wasn't fair What if I forget it all What if I say Hello, I'm the one you've been looking for I know that it's true Lets go, I don't know if you're really sure I don't have a clue I try to go, I try to care It didn't show, it wasn't fair What if I forget it all What if I say Hello, I'm the one you've been looking for I know that it's true Lets go, I don't know if you're really sure I don't have a clue I try, I try, I try, I try To show, to show But I don't know I try, I try, I try To show, to show But I don't know Hello, I'm the one you've been looking for I know that its true Lets go, I don't know if you're really sure I don't have a clue Say hello, I'm the one you've been looking for I know that its true And lets go, I don't know if you're really sure I don't have a clue
