

Mortal Paralysis

[SITD:]

Fatal aggression
Total genocide
Inclination
To human sacrifice

Real-ill treatment
Infanticide
At this instant
Ozonic air
No light

Mortal paralysis
Life in agony
Allergy incontinent
Radiation injury

Unemployment
Insignificant event
Current corruption
Dumb masses won't understand

Death from starvation
No cure for the poor
No consciousness of guilt
Up to the hilt

Mortal paralysis
Life in agony
Allergy incontinent
Radiation injury
Mortal paralysis
Visions of doomsday
Genetic mutations
Our judgement day
