Backseat

Sivas

Årh
Yeah
Guan, come gyali, ryk din body round-round
Ligesom criss-cross, få den bunda til at jump-jump
Brændt i backseat, broke off your back for me
Shotcaller ting, baby, vis mig at du' down-down

Kom lige når du vil, bar' get at me
Du ka' DM, ring', eller snap me (Text me)
For du' min main, du' min bestie
Så for dig, er mit skema jo flexi' (Flexi')
Lange ben, som Naomi (Mhm)
Cute ting, ligesom Cassie (Cassie)
Jeg ka' se du' en freak
Og du ender med at gi' mig lapdance on the backseat (Uh)
Sort Benz, ikk' noget flashy (Sort Benz)
Vi ka' bedst li' det classy (You know?)
Har kun tid til de gode vibes, ellers er det bare hjem i en taxi

Uh, baby, you and I for life
(Baby)
I wanna make you mine, right (Baby)
I like the way you move up at me gyal
Baby, you and I for life
(Baby)
I wanna make you mine, right
Ah-ah
Love the way you move up at me gyal
Shake it, shake it
Uh, baby
Eh, shake it, shake it
Uh-uh-uh-uh
Shake it, shake it
I love it
Årh, kom shake it, shake it, yeah
