

## Animal Instinct

Six Feet Under

Survival

A vicious lust for blood  
I'll kill `til I die  
Terrifying death  
Horrrifying hell  
Nauseating screams  
Screams that go unheard  
A vicious lust for blood  
I'll kill `til I die  
Terrifying death  
Horrrifying hell  
Nauseating screams  
Screams that go unheard  
Suffocate my soul  
I'll take away your life  
Commanding me to live  
I sentence you to die.

You can't stop me  
I'll just kill again  
You'll never stop me  
I'll kill until I'm dead.
