## As I Die

## **Six Feet Under**

Tortured - been bleeding so long, I'm hungry, for my death To come now, waiting - hatred Dreaming of life False hope Dying to live, waiting to die - alone in this world Nausea - sickness, a lifeless living body barely alive Just breathing, no feeling - none left, not for years Alone now, waiting to die Bastards Don't let me die this way Don't let me die Suffer in this torture - too weak to take my life Painful, no rest - a slow death, I can't sleep Fear - anticipation - indulgence in my own thoughts And pain - alone now, waiting to die Bastards Don't let me die this way Don't let me die Tortured - been bleeding so long, I'm hungry, for my death To come now, waiting - hatred Dreaming of life False hope Dying to live, waiting to die - alone in this world Nausea - sickness, a lifeless living body barely alive Just breathing, no feeling - none left, not for years Alone now, waiting to die Bastards Don't let me die this way Don't let me die
