Six Feet Under

Trapped, sanitarium deserted
Energy to escape exerted
Confined in perpetuity
Lunacy in the infirmary

Grim affliction, sick addiction
Imprisoned for self-mutilation
Repugnant, repulsive
Devour yourself, compulsive

Sleeping on a cold concrete slab
Padded walls form an eternal trap
Sustenance in the form of flesh
Eaten while alive and fresh

Grim affliction, sick addiction
Imprisoned for self-mutilation
Repugnant, repulsive
Devour yourself, compulsive

Consuming yourself to live
While also wanting to die
You will perish when nothing remains
A full stomach and exposed brain

Grim affliction, sick addiction
Imprisoned for self-mutilation
Repugnant, repulsive
Devour yourself, compulsive

Display of carnage for the poor soul who finds you
To discover sick survival that binds you
Heaving lungs the only thing intact
Scattered expelled organs, your final act

Grim affliction, sick addiction
Imprisoned for self-mutilation
Repugnant, repulsive
Devour yourself, compulsive
