

Rock and Roll Ain't Noise Pollution

Six Feet Under

Hey there, all you middle men
Throw away your fancy clothes
And while you're out there sittin' on a fence
So get off your ass and come down here
'Cause rock 'n' roll ain't no riddle man
To me it makes good, good sense

Heavy decibels are playing on my guitar
We got vibrations coming up from the floor
We're just listening to the rock that's giving too much noise
Are you deaf, you wanna hear some more

We're just talkin' about the future
Forget about the past
It'll always be with us
It's never gonna die, never gonna die

Rock 'n' roll ain't noise pollution
Rock 'n' roll ain't gonna die
Rock 'n' roll ain't no pollution
Rock 'n' roll it will survive

I took a look inside your bedroom door
You looked so good lying on your bed
Well, I asked you if you wanted any rhythm and love
You said you wanna rock 'n' roll instead

We're just talkin' about the future
Forget about the past
It'll always be with us
It's never gonna die, never gonna die

Rock 'n' roll is just rock 'n' roll
