The Enemy Inside

Six Feet Under

It gained control of me the dark side of my mind this hollow shell A body with no soul

Feeding on me, growing inside, this parasite dormant within, now it's alive, it came to life Feeding on me, growing inside, this parasite dormant within, now it's alive, it came to life

With each breath I take I feel the pain It has a hold of me the thoughts I think deep within my body eating me from inside I can't control this other self

The enemy, the enemy, the enemy inside of me

Feeding on me, growing inside, this parasite dormant within, now it's alive, it came to life Feeding on me, growing inside, this parasite dormant within, now it's alive, it came to life

Separate from myself Actions without thoughts in constant agony distortion of reality Alternate emotions now come to life my soul asleep unconscious, but awake

The enemy, the enemy, the enemy inside of me

Feeding on me, growing inside, this parasite dormant within, now it's alive, it came to life Feeding on me, growing inside, this parasite dormant within, now it's alive, it came to life

It gained control of me the dark side of my mind this hollow shell A body with no soul With each breath I take I feel the pain It has a hold of me the enemy inside
