So High

Six60

If she was a dime I'd call her on the line
To come down and put it on me
It caused a scene when she burned into my atmosphere
Been on cloud nine but it's a matter of time
Till she gets released
Now I see she's been smoking since she landed here

I know what to say
But every time I'm with you I want to get it
Every time I miss I want to hit it
I-I
And every other day I need it every other way
Every time I'm with you I want to get it
Every time I miss, I want to hit it

How we get so (How we get so)
Hi-i-igh
We get so high, wooo
Hi-i-igh
We get so high, So high

No lie
It's the hardest damn thing I've tried to leave
And I'm hazey, cause I don't want to be that way
And it's a sign it's a matter of time till I get relief
Now I see it's so crazy how this happened to be

Dollar for a dollar, nickel for a dime
I put it all on the line
Cause every time I'm with you I want to get it
Every time I miss, I want to hit it
I-I
And every other day, I need it every other way
Every time I'm with you I want to get it
Every time I miss, I want to hit it

How we get so (How we get so)
Hi-i-igh
We get so high, wooo
Hi-i-igh
We get so high, So high

Down, down, down, down, down
(Going down)
It's been four days, three lives and
One too many times since we last kissed the sky
But this time, we're going down, down, down, down
Till I get so high

How we get so
Hi-i-igh
We get so high, wooo
Hi-i-igh
We get so high, So high

So high [x8]
