

Sundown

Six60

Tell me what you're rushing for
We were just getting close
Painted the perfect scene
Right now, right here's all that we need

And when the sun goes down on us
That's where I want to be
And when the sun is coming up
I never want to leave

Stay here with me
I never want to leave
Stay here with me
I never want to leave, yeah

Why are we counting time?
If it's just yours and mine
Standing tall beneath our feet
Right here, right now's all that we need

And when the sun goes down on us
That's where I want to be
And when the sun is coming up
I never want to leave

Stay here with me
I never want to leave
Stay here with me
I never want to leave

And when the sun goes down on us
That's where I want to be
And when the sun is coming up
I never want to leave

(Stay here with me)
I never want to leave
(Stay here with me)
I never want to leave
