

## Loser Like Me

## Sixpence None The Richer

You know I need  
All the love you give  
A loser like me  
I just don't know why you would  
Give it for free  
When I don't deserve it  
You know now  
I wonder why  
You wouldn't want to charge  
A higher price  
You take a loss and still give  
Another try  
Knowing that some day  
We'll find each other saying

Your love is fire  
And I am the wood  
That burns inside  
The warmth of your blood  
Without you I'd fade away  
A loser just like me

You know I try  
To give you all the love I hold inside  
I have a hard time when I can't say it right  
But I'll see the day when I will find the words and say them

Your love is fire  
And I am the wood  
That burns inside  
The warmth of your blood  
Without you and the flame you keep inside  
I'd fade into the night  
I'll always say them  
Your love is fire  
And I am the wood  
That burns inside  
The warmth of your blood  
Without you and the flame you keep inside  
I'd fade into the night  
A loser just like me

You know I need  
All the love you give  
A loser like me  
I just don't know why you would  
Give it for free
