

## Within a Room Somewhere

Sixpence None The Richer

I breathe the mist  
Floating about the stars  
I can caress with velvet hands  
I breathe the mist  
Floating within without  
This pen between my fingers

Messiah  
I know you are there  
Within without me holding me  
Messiah  
I know you are there  
Catching carrying this beautiful mess

Escape the pain  
Within a room somewhere  
Escape the pain  
So deep inside the soul  
I have no key  
No map to find
