

Adventure

Sizzla

Jah know
How much I love you
I don't wanna be the one to say goodbye
I'm the only one that squeeze and
Touch you and never ever wanna see you cry

Such an adventure
Sunshine for you baby
Look in your beautiful eyes
Someday we gon make it
Me oh my

It's such an adventure
The river streams flows
Same as the blood in your vein
One you know
Girl let me hear you say my name
Anywhere that you go

It such an adventure
Flowers bloom and the trees bring forth their fruits in the seasons
Girl, I've been loving you all the days of my life
For a good reason

Such an adventure
Just to see to it
That's your day been wonderful
To the most high
Baby, be so thankful

Ah
I'm yours
Your mine
Seems both of us got our hands full
Surprise
Won't lef me
I won't lef you
Wow
