

Do The Right Thing

Sizzla

Green Lion!
Telling yuh...
Ay listen

Jah watch over us and never let us go astray
Oh jah watch over us and never let us go astray

Know the right and do the right thing
Ghetto youths stop the fighting
Know the right and do the right thing
Ghetto youths stop the fighting

Hurting yourself with the ruption (take heed)
Hatred is the obstruction (get wise mankind)
See you delving in corruption, not listening
You're going on in destruction

How the youths dem a move so
Guns and bombs and dem a prove so
A just themself dem a shoot so
No member bout dem roots

Having no regard for the poor but just like I said before...

Hurting yourself with the ruption (take heed)
Hatred is the obstruction (get wise mankind)
See you delving in corruption, not listening
