

# Ebola

Sizzla

World leaders are gonna be charge for evil  
For killing of the most high people

World leaders are gonna be charge for evil  
From Jah, because they are killing off the beautiful people

And if the cops won't arrest dem  
It's a world citizen arrest then  
And if the cops won't arrest dem  
Supn a go gwaan

Gloves, gas mask, oxygen tank fast  
Clinical disease a pass  
Gloves, gas mask, oxygen tank fast  
Listen when mi talk  
Dem meck it in the lab and out a door dem send it  
Use the doctors a ready up epidemic  
90% people dead when they get it  
Riot a go bruk out  
Bullets and chemical meck the wheeple  
Use the knowledge of the science and help the people  
Wash your hands after you touch anything  
Go and get a bath you better do it often  
Clean out the house, sanitize the place  
Don't put your dirty hands in your face  
Protect your self from everything now  
Protect the family any means, any how

Is the government a coward  
Is the government a coward  
Is the government a coward  
Only abuse poor people wid ebowas

Is the government a coward  
Is the government a coward  
Is the government a coward  
Only abuse poor people wid ebowas

Babylon a liar, only waan crush you  
Listen, no meck nobody touch you  
The disease is so contagious  
Herbs are the healing nothing can save us  
Who make the bacteria? Rich and the famous  
Oh what you saying, oh what you saying cho  
The planet no safe anymore  
Read the book a revelation a implore

Who own the cottage for ebola?  
The judgement is up on your shoulder  
Anybody give dem anything dem tek it  
Yo no fi licky, licky, or yo naw go meck it  
A give pervert the eyes of the wise  
Be careful of strangers giving you prize  
People a feel it, baby a meck noise  
Government don't turn the black a dem eyes  
Ministers giving you wrong information  
Why you telling lies on jubilation

All this was a plan to kill the population  
What a devastation
