

# Fought for Dis

Sizzla

Black people fought for this  
Many bloodbaths  
And stupidly you threw it away  
A wise son makes a happy father  
A stupid person will go astray [x2]

You come from too far a nuh live up now  
From too far fi ya give up now  
Me African culture mi have to big up now  
My ancestor's knowledge me hav to dig up now  
My poor parents them work so hard  
You chained them and slaved them like a dog  
(You stole em)  
You stole them from them African yard  
Nuh sell mi culture

Black people fought for this  
Many bloodbaths  
And stupidly you threw it away  
A wise son makes a happy father  
A stupid person will go astray [x2]

We are breaking out of the system  
We are no longer their victims  
Let us unite, Rastaman preaching's  
Don't disregard your African teachings  
Learn this from mama no delete it  
Learn this from papa no delete it  
Mi nuh sell out mi culture, mi ah keep it  
Your African language learn to speak it

Black people fought for this  
Many bloodbaths  
And stupidly you threw it away  
A wise son makes a happy father  
A stupid person will go astray [x2]

We suffer fi dis  
We nuh dash it ah so  
We are out with this  
Nah stop it ah so  
And the truth nah Rasta teach ne keep us so  
We uh take it to di pit  
Nah drop it ah so  
When dem youths ah bleed it ah mash up your soul  
Mi tell ya dat corruption mess up your  
Take heed black nation don't crush up so  
Coz di fire burns up hotter so

Black people fought for this  
Many bloodbaths  
And stupidly you threw it away  
A wise son makes a happy father  
A stupid person will go astray [x2]
