

## Gangsta

Sizzla

I just hunt dem and shoot dem like a dog  
No matter mi shot yo badman don't tek talk  
Am a gangster Mther fers  
I shoot pranksters mother fers

I just, I just, hunt dem and shoot dem like a dog  
No matter mi shot yo badman don't tek talk  
Am a gangster Mther fers  
I shoot pranksters mother fers

So mi no business weh yo come from  
Who and yuh a spar  
Fight real badman bwoy down suh mi no war  
Anyway hear mi now, mi and mi blasted gun dem a spar  
Like am going to war I could leave your friends on the tar  
Got the powers lion in the jungle  
We grow marihuana like flowers and stock it in the bundle  
When we sip it down we sniff it  
My thing never crumble  
Yow, bungo man a tell dem humble

Now you making money damn here comes the world  
Now you say you got your gun you wanna run the world  
Pickney mother fers like you could really done the world  
What you don't know real gangsters live in the under world
