## **Give Me A Try**

Where do you go, don't you need my love, baby Why can't you come on and let us play When are you going to come my way?

What sort of things they been telling you? I've got to stop them from compelling you, girl They just won't stop me from getting you

Give me a try 'cause I Know that things will be great Free your mind don't deny True love never dies it only creates

I'm gonna take you right there Love for a lifetime I'm gonna make ya life so clear Girl gonna make you mine

I'm gonna take you right there Love for a lifetime I'm gonna make ya life so clear Gonna make you mine

Said no lies don't you cry no goodbye Just won't work, stars in the sky Look so nice look in ya eyes, girl So much you worth

I'm not stupid, I'm not a fool Know what I'm doing I'm into school Keep a firm grip on what you hold More valuable than a pot of gold

I'm gonna take you there Love for a lifetime I'm gonna make ya life so clear Gonna make you mine girl

I'm gonna take you there Love for a lifetime I'm gonna make ya life so clear

Give me a try 'cause I Know that things will be great Free your mind don't deny True love never dies it only creates

Give me a try 'cause I Know that things will be great Free your mind don't deny True love never dies it only creates

Where do you go don't you need my love, baby Why can't you come on and let us play When are you going to come my way

What sort of things they be telling you
