

# My Time Your Time

Sizzla

This is how we make music for them  
It's a judgement, then gonna take it to them  
Them no wanna name no bad man, no red eye  
No get so vicious, some my time, some your time  
You better leave out no bad mind, no red eye  
No get so vicious, some my time, some your time  
Now the pagans say don't test, Rastafari my mighty fortress  
Hypocrisy that haffe left, stop fight the ghetto youths progres

This is how we make music for them  
It's a judgement, then we gonna take it to them  
Them no wanna name no bad mind, no red eye  
The ghetto youths show, some my time, a your time  
You better live up, no bad mind, no red eye
