

# Protect Us & Bless Us

Sizzla

Judgement!

Rastafari try dem case, find dem guilty  
Cyaan show dem face dem too tief and filthy  
Think dem safe dem don't got no safety  
Hey

Protect us and bless us King Selassie's own  
Babylon killing the people trying to take control  
never leave us blessed Negus give us strength to endure  
I will forever burn the wicked man, mi sure  
Protect us and bless us King Emmanuel's own  
Babylon killing the people trying to control  
never leave us go before us give us strength to endure  
I will forever burn the wicked

Well it has been so many years inna slavery  
Prime Minister dem nuh care because dem done inna folly  
Elizabeth of England claim the authority  
to keep the people and slave the people with Christianity  
and John Pope and the church dem inna conspiracy  
while di Governor General ah him ah govern di money  
and wi di people in di ghetto has no liberty  
give us repatriation, justice and equality

Yow, this I say from di mat  
Mi nah forgot di whip dem and di leg weh yuh ah cut  
Prophet, Priest and King  
Babylon di earth ah buss  
Black woman start to sing mi tell unno seh look but no touch  
yuh couldn't drive di vehicle so yuh guh drop inna di rut  
yuh laws and legislation  
whole a dem deh mi crush  
pollute yuh own people  
what did yuh do amongst us?  
Babylon yuh empire and yuh country corrupt  
yuh cyaan ketch Kwaku  
while binghi man ketch him shirt  
and Babylon ah wear him pants  
yuh see seh dat dem heart full a muck  
Gwaan, binghi nyah, yuh tuff  
yes,  
gwaan black woman  
yuh smooth yuh nuh rough

Well Judgement!

Babylon mi nuh figet yuh  
dis one anno water from no pipe weh ah guh sprinkle  
Rastaman ah chant and di western ah tremble  
dis di youth dem want tell dem fi ever stay humble  
tell dem get out of King's House wi come fi crown Selassie  
Dem have yuh like a cat ah bounce inna bare rhapsody  
mi tell unno gwaan ah Africa to unno Black Family  
some a dem tell mi that dem won't when some ah tell mi 'probably'
