

Stay Clean

Sizzla

A put it oh pleasant
Most High Selassie I Jah Rastafari
I know some black people on a present
Be hear me now Sizzla Kalonji
Wha me say

Stay clean and live up absolutely
Never let the air nah di stream get polluted
Ya stay clean and live up absolutely
Never let the air nah di stream get polluted

Run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument
Run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument

Ghetto youth man a keep on cure dem
Dutty Babylon me tell you so we don't fear dem
Good food fi eat a proper clothes dem fi wear den
Proper education get me ear to ear den
Babylon my burn and me don't see it clear den
Still conscious ghetto youth just beware den
Hail King Selassie I I'm dirty some hear den
Righteousness in a di atmosphere den

Run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument
Run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument

Me teach dem say a
Righteousness dem desire
Teach dem fi burn di hotta hotta fire
Burn dem pon di wicked and burn di vampire
Hail King Selassie him a di true emperor
Seat in a Ethiopia ina di empire
Righteousness di ghetto youths dem desire
Pretty black woman Sizzla Kalonji admire
Rastafari yo I am slew Goliath
Children speak di true and yo burn out da liar
If dem diss di ghetto youth we a gon kick di riot
Sed a dem bad man we take it a to dem a friers

Ey stay clean and live up absolutely
Never let the air nah di stream get polluted ah
Stay clean and live up absolutely
Never let the air nah di stream get polluted

Run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument
Run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument

Yo as how ya do ya work dat's how ya get yo pay
Hail King Selassie upon da king's highway
Yo read your Bible children learn how to pray
Rastafari tell ya u must never disobey

Oh a good education me never dare decay
Yo but da vanities it shall fade away
Me a King Selassie I am tell dem strait away
Little children

Run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument
Run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument

Yo I burn the wickedness and what they indulge
Yo I burn the hate and I surely burn the grudge
And teach di ghetto youth to wore dem head straight above
And Hail Selassie I and toward dem bred' a dem love
And Hail Selassie and toward dem sister dem love
Dis righteousness lift di youth dem out of di mud
Dem a run from di fire yet Selassie did wash dem out wit di flood
Just praise Selassie I youth stop shed blood
Me tell Judgment Yard gimme di good ganja burn
Go tell di politician stop gi di youth dem drugs
Di pretty black woman dem love
Yo pon di black woman mi haffi rub

So run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument
Run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument

Stay clean and ya get your soluted
Never let the air nah di stream get polluted ah
Stay clean and ya get your soluted, hey absolutely

So run by your heart and and let your gov'ment
Stay conscious and come out kill dis argument
Run by your heart and and let your gov'ment
