

## This Is Life

Sizzla

Now remember, education comes first  
Sizzla Kalonji read the good book  
People a suffer tek a good look  
Better pray before you put a next foot  
Earthquake shuck

This is life  
This is real  
Sufferation people feel

This is life  
This is real  
Sufferation people feel

Hungry go fi kill wi cyaa get no food  
No money naw run, pickney cyaa go school  
Weh mi a go tell dem after dem nuh fool  
Babylon a hold wi down like a foot stool  
Educated but there's no jobs around  
Same thing a country, same thing a town  
Babylon a try tek the people fi clown  
Keep wi under the water like dem want wi fi drown

Cyaa go no where because a gunshot a fire  
Mama naw work a just wa day shi retire  
Even a bow to the boss, yo cyaa get higher  
Ambitious to be someone great is your desire  
Ungrateful meck it hard a the truth  
Some people would a help you but a yo attitude mi youth  
Some people go all out fi you get a fruit  
You bite the hands weh feed you  
You cyaa kill the root

Now you hype up  
You get hot pon dem  
As you meck the money suh you turn yo back pon dem  
When you deh suffer in a the ghetto you have allot of friends  
Now you turn superstar you start lock from dem
