

Should I

skaiwater

I don't know if I should pick up my phone when I'm all alone
Should I?
'Cause I feel like all these evil spirits lurking, gotta get 'em gone
Should I?
I don't know, I don't know if this shit my fault or yours
Should I?
I don't know, I feel like it should be my choice, of course
Should I?
Should I? Should I? Should I? Should I? Should I?
Should I? Should I? Should I? Should I? Should I?

She got her tits out
And I'ma take you to the top 'til I [?] (Should I?)
Since I stepped out
I'm feeling good, feel like I can talk my shit now (Should I?)
Wow, did this shit all from the South
That bitch follow for some clout, I'ma put it in her mouth
Had these [?] nigga shook
Had 'em wondering like wow
He tried to pull up to my show
Had to pat that nigga out, shit
Nigga, get him gone
I don't wanna talk
I don't wanna walk with you 'cause my niggas bark
And she know that I'm the boss
'Bout to fly you and your friend to California just to show you off
Just to show you off
I don't wanna ball without you, all this shit is about you
Yeah, we had our problems, set us apart like a gap-tooth
Had to leave my city so I could see what I'd amount to

I don't know if I should pick up my phone when I'm all alone
Should I?
'Cause I feel like all these evil spirits lurking, gotta get 'em gone
Should I?
I don't know, I don't know if this shit my fault or yours
Should I?
I don't know, I feel like it should be my choice, of course
Should I?
Should I? Should I? Should I? Should I? Should I?
Should I? Should I? Should I? Should I? Should I?

Should I? Should I? Should I? Should I? Should I?
Should I? Should I? Should I? Should I? Should I?
