

David Duke Is Running For President

Skankin' Pickle

Am I going crazy or am I going mad
'Cause I just heard something that made me very sad
A Nazi, a Klansman is running for president
David Duke is running for president

I think I'm in shock, I think I'm gonna cry
There's millions of people who really love this guy
A Nazi, a Klansman is running for president
David Duke is running for president
