

# Calling

Skarlett Riot

I need you to know I learnt from my mistakes  
I took it all for granted, I let you down  
I'm sorry for the things I said  
I admit that I'm not perfect, if it's all the same  
Well one thing I know, I miss you so  
I'm hurting more than you will ever know  
Tore us apart I wouldn't let you go  
Why did I walk away

Why can't you hear me calling  
I'm calling out to you  
Come back to me I'm falling down  
I'm calling out to you  
Calling out to you

As these days pass by, well I don't half regret  
Walking away from you  
You deserve so much more than I can truly give  
I won't hold you back no more  
I wish you the best, I truly do  
Not a day goes by, when I don't think of you  
How cold it feels, without you there  
Why did I walk away

Why can't you hear me calling  
I'm calling out to you  
Come back to me I'm falling down  
I'm calling out to you  
Why can't you hear me calling  
I'm calling out to you  
Come back to me I'm falling down  
I'm calling out, calling out to you  
Calling out to you  
Calling out to you

I'm calling  
Calling out

Why can't you hear me calling  
I'm calling out to you  
Come back to me I'm falling down  
I'm calling out to you  
Why can't you hear me calling  
I'm calling out to you  
Come back to me I'm falling down  
I'm calling out, calling out to you
