

Falling

Skarlett Riot

I wiped all of your tears
Kept you safe and warm
I felt so right beside you
Where did it all go wrong?

I shut you out I know
Pushed you far away
I hate myself for hurting you
Making you feel this way

I want you to know I loved you
But I can't love myself
That's where it all went wrong

I can't hold on
What have I become
Forever falling
Forever falling
I can't hold on
What have I become
Forever falling
Forever falling

I know that I was wrong
And now I pay the price
I hope that you are happy now
I care so much for you

Please will you forgive me
For all that I have done
I wish that I could turn back time
But now I must move on

Here my voice
When I say I'm sorry
You deserve so much more than this

I can't hold on
What have I become
Forever falling
Forever falling
I can't hold on
What have I become
Forever falling
Forever falling

Down and down I go
Down the same damn hole
I've learnt from my mistakes
But it is too late
Down and down I go
Down the same damn hole
I've learnt from my mistakes
But it is too late

I can't hold on
What have I become

Forever falling
Forever falling
I can't hold on
What have I become
Forever falling
Forever falling
