

Mental Case

Skaters

Name a time or place
And I'll be on my way
And if you say Berlin
I'll just take the train

(Because of you I'm all or nothing)

I'm a mental case
Ah-ah-ah, Ah-ah, Ah
I'm a mental case
Ah-ah-ah, Ah-ah, Ah

You said you've got the curse of the unstable thought
And if they weren't too much
They'd get the run around
And if it's only just to ease your mind

I'm sane
I hope
I really might be sane
I hope
I really might be sane
I hope

Well there's no guarantees
I can't pretend to know about tomorrow

Just consider it an act of God
Mind the cross
And know it all could fall apart

(Because of you I'm all or nothing)

I'm a mental case
Ah-ah-ah, Ah-ah, Ah
I'm a mental case
Ah-ah-ah, Ah-ah, Ah
I really might be sane
I hope
I really might be sane
I hope
I think I might be sane
I hope
I'm a mental case

I'm a mental case
Ah-ah-ah, Ah-ah, Ah
I'm a mental case
Ah-ah-ah, Ah-ah, Ah
I'm a mental case
Ah-ah-ah, Ah-ah, Ah
I'm a mental case
Ah-ah-ah, Ah-ah, Ah
