

Warrior

Skazi

When I choose ma
Ma ma ma men I choose

When I choose ma men I choose them
Like a warrior
When I makin' love I make it
To destroy ya
I'd be on ma game so let me
Control ya
I'd be electroniRockin' like a soldia'
Everytime I groove I see them droppin' down their mouth
Hot momma shake it from up north down south
Ladies ladies show them candies
Drop it down to the floor
Move it move it like a mamba
Do it do it once more

Boom boom boom -- Like a warrior
Ragatoon raga boom boom -- Like a warrior
Boom boom boom -- Like a warrior
Ragatoon raga boom boom

If you feel me shout it out
We fight that
Ragatoon raga boom boom
We like that
So put your hand and stick it out
Cause we came here to fight
All night hey hey all night
