

## Dear Heart

**Skeeter Davis**

Dear heart wish you were here to warm this night  
My dear heart it seems like a year since you went out of my sight  
A single room a table for one it's a lonesome town alright  
But soon I'll kiss you hello at our front door  
And dear heart I want to know I'll leave your arms never more  
  
A single room a table for one...
