

Don't Let Me Cross Over

Skeeter Davis

I'm tempted my darling to steal you away
Don't let me cross over stay out of my way
You know that I love you and I'm not the cheating kind
Don't let me cross over love's cheating line.

Don't let me cross over love's cheating line
You belong to another you can never be mine
I know one step closer would be heaven divine
Don't let me cross over love's cheating line.

I've tried to forget you but what else can I do
When your eyes keep saying that you love me too
I know if I lose you not a dream would I have left
I don't want to cheat dear but I can't help myself.

Don't let me cross over love's cheating line
You belong to another you can never be mine
I know one step closer would be heaven divine
Don't let me cross over love's cheating line...
