

## I'm Only A Woman

Skeeter Davis

When you look at me and tell me that you need me  
You don't know how close I come to giving in  
But I'm trying to be strong to keep from doing wrong  
And I wish you wouldn't come to me again  
Cause baby I'm only a woman only a woman  
Can't you see my heart's not made of stone  
I'm only a woman only a woman so please till you are free leave  
me alone

Don't you know it hurts to know her arms are holding you  
And you know how much I wish those arms were mine  
But darling till you are free don't reach out from me  
For I don't want our love to be that kind  
Cause baby I'm only a woman...
