

I Say A Little Prayer

Skeeter Davis

The moment I wake up before I put on my makeup
I say a little prayer for you
For combin' my hair now and wonder what dress to wear now
I say a little prayer for you.

Forever, forever to stay in my heart
And I will love you forever and ever we never would part
Why do I love you together, together, that's how we must be
But to love you would only mean heartbreak for me.

I run from the past dear for riding I think of us dear
I say a little prayer for you
How work I just take time and after my coffee break time
I say a little prayer for you.

Forever, forever to stay in my heart
And I will love you forever and ever we never would part
Why do I love you together, together, that's how we must be
But to love you would only mean heartbreak for me.

I say a little prayer for you.

I say a little prayer for you.

Forever, forever to stay in my heart
And I will love you forever and ever we never would part
Why do I love you together, together, that's how we must be
But to love you would only mean heartbreak for me.

Darlin', don't leave me, for me there's no one but you
Please love me too
Answer my prayer...
