Lonely Again

Skeeter Davis

You told me that others before you were foolish to cause me to cry

And just when I learned to adore you you kissed one more dream goodbye

And left me lonely again just like you found me lonely again no arms around me

Just when I'm sure that my heart is secure And my teardrops are dry with a warm glow inside Then this love is mine to the end of the line That's always the time that I'm lonely again

You told me you wanted me only that this time and this love would last

You told me I'd never be lonely now you belong to the past And I'm so lonely again...

Lonely again lonely again
