

# My Coloring Book

**Skeeter Davis**

For those who fancy coloring book lots of people do  
Here's a new one for you  
A most unusual coloring book the kind you'll never see  
Crayons ready, very well, begin to color me.

These are the eyes that watched him as he walked away  
Color them gray  
This is the heart that thought he would always be true  
Color it blue  
These are the arms that held him and touched him  
Then lost him somehow  
Color them empty now.

These are the beads I wore until she come between  
Color them green  
This is the room that I sleep in and walk in and weep in  
And hiding when nobody sees  
Color it lonely please  
This is the man, the one I depended upon  
Color him gone...
