

Singing My Song

Skeeter Davis

Here's a song I love to sing it's about the man that wears my ring
And even though he's tempted he knows I'll make sure that he gets everything
'Cause when he's cold he knows I'm warm and I warm him in my arms

And when he's sad then I make him so glad and I'm his shelter from the storm
I'm his song when he feels like singing and I swing when he feels like swinging
I don't know what I do that's right but it makes him come home at night

And when he's home I make sure he's never alone
And that's why I keep singing my song
And when he's home...
