

Think It Over

Skeeter Davis

Think it over what you just said
Think it over in your head
Are you sure that I'm not the one
Is your love real or only fun

Think it over, think it over
A lonely heart grows cold and old
Think it over and let me know
Think it over but don't be slow

Just remember all birds and bees
Go by twos through life's mysteries
Think it over, think it over
A lonely heart grows cold and old

Think it over and think of me
Think it over and you will see
A happy day when you and I
Think as one and kiss the blues goodbye

Think it over think it over
A lonely heart grows cold and old
Think it over, think it over, think it over
