When I Fall In Love

Skeeter Davis

When I fall in love it will be forever or I'll never fall in love

In a restless world like this is love is ended before it's begun

And too many moonlight kisses seem to cool in the warmth of the sun

When I give my heart it will be completely or I'll never give m y heart $\$

And the moment I can feel that you feel that way too is when I fall in love with you

When I fall in love with you
