Fun

Skegss

Cut my hair cause it's too long
Dye it black cause it's too blonde
I just wanna have a fun time

Burnin' out doin' way too much
I can't sleep thinkin' about this stuff
Yeah, I just wanna have a fun time

Aliens probin' my brain
I think I'm goin' a bit insane
I just wanna have a fun time

These people think that they know me
But they don't know anything
Yeah, I just wanna have a fun time

And if we get sad we'll try not to cry
And if we're feelin' low we'll roll a joint and get high
Cause I just wanna have a fun time
I do, I just wanna have a fun time
With you

I just wanna have a fun time

Cut my hair cause it's too long
Dye it black cause it's too blonde
I just wanna have a fun time

Burnin' out doin' way too much
I can't sleep thinkin' about this stuff
I just wanna have a fun time

And if we get sad we'll try not to cry
And if we're feelin' low we'll roll a joint and get high
Cause I just wanna have a fun time
I do, I just wanna have a fun time
With you

I just wanna have a fun time
With you
I just wanna have a fun time
With you
