

## Rock N Roll Radio

Skegss

Rock n Roll radio, blasting on the stereo  
Sip some wine, toke a smoke, find somewhere fun to go  
Two for one at the Bottle-O, have the money to make sure  
Ride around in same old town, searching for something more  
Coppie shut the shit back up, no more blasted blasted cops  
Go home when you're feeling fucked, or just get even more fucke  
d up  
Piece of pizza are you our attack, crowd make it back to the ta  
xi cab  
Ride it back gonna hitch a ride, make it home like every other  
time oh

Radioooo girl  
Play your songs to me  
I see you rocking and a rolling in a rhythm  
When you're wheeling on down the street
