

Tradewinds

Skegss

These trade winds have got me swayin'
Toward a holiday
I keep tryna work, but
I can't concentrate

One day, I'm gonna get out of my own way

You have got me sayin' things that
I don't wanna say
I know that you hate it
Because you can't relate

One day, I'm gonna get out of my own way
One time, I'm gonna get out of my own way

Maybe it's just Mondays
Maybe it's just me
But still I am still swayin'
Toward that same old thing

One day, I'm gonna get out of my own way
One time, I'm gonna get out of my own way
