

Under The Thunder

Skegss

I've got many things to learn
I've got energy to burn
I've got forgiveness to earn
My business is none of your concern
Maybe I'm just seasoned
Maybe it's just the season
Maybe there's no good reason
As to why I am bleeding

Well under the thunder
There's no hiding from the lightning
Well this world makes me wonder
Yeah it all seems so exciting
Got a couple dollars in my pocket
I can hear it when I'm walking
I trade it for an ice-cold glass
Yeah the idea's such a nice thing
The idea's such a nice thing
Woo!
