Valhalla

Skegss

All the ale you can inhale
All the food you can consume
All my friends at the table
Everything I'd die for in one room

My Valhalla

All the ale you can inhale
All the food you can consume
All my friends at the table
Everything I'd die for in one room
There's no way I'm going to jail
There's no way I'm going to doom
I'm going to my Valhalla
I'll see you all there soon

My Valhalla
