

The Coming of Chaos

Skelator

Castle Erorn has been raised
The Vadhagh folk are dead
The Mabden gloat in victory
It's a raping and killing spree
Corum the last of his people
Tortured and left for dead
Glandyth Krae I will have my vengeance
I will seal your doom

(Chorus)

Beware the Tide of Fear
The Vadhagh sheds his tears
Corum raise your arms and fight
The Coming of Chaos

Granted by sorcery
Corum recieves his gifts
The hand of Kwyll the eye of Rhynn
Relics of the Dead gods
He summons the dead from the nether realm
He wields his sword of steel
Lords of Chaos beware
The Prince in the Scarlet robe

(Chorus)

I saw my people
Raped, lynched and killed
Glandyth Krae
My vengeance will be fulfilled

Lords of Law
Let me be your messenger, let me be your blade
I will fight till death, or put the mabden in their graves
Lords of Chaos
Beware my power, beware my strength
The Knight, The Queen and the King of Swords

Swords, Swords, SWORDS!!!!

The Final battle here
The Chaos banner soars
Barbarians and demi-gods
Behold the Chaos horde
Eldren warriors in their skyships
Lay magic missiles on the enemy
Lords of law we call upon thee
Screaming our war cry!!!

Beware the Tide of Fear
The Vadhagh sheds his tears
Corum raise your arms and fight
Ride to victory, Death to Entropy
Corum raise your arms and fight
The Coming of Chaos...
